Kristin Hjellegjerde Gallery, London, will host 'From | To', an exhibition by Italian artist Andrea Francolino, from October 8 through November 5, 2016.

Through his poignant works, Francolino questions the meaning of existence, of things and of art, through the evolution of man as a so-called cultural animal. Through his consumerism, materialism and hedonism, man affects nature so much. The works bear a message that man is mortal and cannot live forever: "Remember you are dust and to dust you will return." Watch out for two vases that stand side by side - one with earth and chlorophyll, and its double with cement and steel rods.

The exhibition is on view at Kristin Hjellegjerde Gallery, 533 Old York Road, London, SW18 1TG. For details, visit, www.kristinhjellegjerde.com (<http://www.kristinhjellegjerde.com>)
