THE REFINED WORK OF JULIETTE MAHIEUX BARTOLI

Oil Painting from the show "Pax Romana" by Juliette Mahieux Bartoli

Juliette Mahieux Bartoli is a French-Italian artist born in 1989. She now lives and works in London. Her current work "Pax Romana" was created by taking photographs of herself, then she cuts and rearranges these pictures. Then these pictures were used as something of a template for the oil paintings. Thanks to [Fad Magazine](#). See Juliette's show "Pax Romana" at the [Kristin Hjellegjerde Gallery](#) in London, UK November 2016. You can follow Juliette Mahieux Bartoli's work on [Instagram](#) and her [webpage](#).
